

Once again, your Tokyo chapter of Phi Delta Kappa International is asking its members to consider their pledge of service to PDK and education. Our March 14 meeting will be the time to elect our board of directors for school year 2009-2010. All of the offices are open to candidates who are members in good standing (have paid their dues through this school year).

We have had another busy year with programs that have been very highly acclaimed by those attending, and would like to continue with our work to provide educators in the Tokyo area with information and opportunities for collegiality which will benefit their students and advance their professional goals.

Please consider your talents and become a candidate for one of the following positions by notifying your site rep or Pam Lasazen via phone 9DSN: 263 5317) or email no later than Monday, 09 March, so we can put your name on the ballot that will be voted on during our March 14 meeting.

Positions on PDK 1530 board of directors:	Candidates (We would like to have more than one for each position):
President	
Vice President	
Secretary	
Treasurer	
Foundations (scholarships) chair
